Tuesday, 6/26/2001 -- 8:30 AM
Location: LBJ [060] LBJ STREET

Strand: Online and Distance Education
Type: Poster **Audience:** All

Summary:

The presenters will demonstrate their "Supporting English Acquisition" (SEA) web site designed for educators of deaf and hard-of-hearing students and will describe a project in which technical, math, science, and social science faculty are implementing the site's suggestions for infusing English teaching activities into their content courses.
