Smith, Richard

Monday, 6/25/2001 -- 10:00 AM

Location: LBJ [060] 3615

Strand: Using Technology to Support Learning

Type: Formal **Audience:** College

Summary:

This presentation will describe the design and use of a language lab facility used in the education of sign language interpreters at NTID. Participants will experience the many different ways the audio and video equipment is integrated to reproduce the various tasks required of interpreters.
