National Technical Institute for the Deaf

Tuesday, 6/26/2001 -- 10:00 AM
Location: LBJ [060] 3355 [ETRR]

Strand: Using Technology to Support Learning
Type: Formal   **Audience:** All

Summary:

The Educational Technology Resource Room (ETRR) exists to support faculty/staff development of new and innovative applications of technology in the education of deaf persons. Services include designing training programs, developing instructional materials related to the use of new technologies, and supporting the learning of new software packages.
