Pitoniak, Jason
Clarke, Cathy

Monday, 6/25/2001 -- 2:30 PM
Location: LBJ [060] 2590

Strand: Online and Distance Education
Type: Formal   **Audience:** All

Summary:

The presenters will describe IdeaTools, a Web-based online course development system that they created. They will discuss their experiences in using IdeaTools to create Web-based course materials (including handouts, online quizzes, homework and labs,) group e-mail, electronic class forums, and chat rooms in a wide range of content areas.
