SIS Go-Live 1

- Historic Course Catalog Conversion
- Historic Class Section Conversion
- Instructor/Advisor Conversion
- Interfaces: NTID Access Services, Instructor/Advisors, Barnes & Noble, etc.
- Semester Course Conversion (SemCon)
- Scheduling Officer Training (50 hours completed)
SIS Go-Live 1

• Mid-October – begin building fall 2012 class schedule in the new system
• Scheduling Officers have requested fall 2012 draft schedule
• Begin building Degree Audit for Semester Requirements
• Public View of fall 2012 by Mid-December
SIS Go-Live 1

- Monday, September 26 – October 7 UAT (user acceptance testing)
- Friday, October 14 Conversions begin—System Freeze
- October 17-19- Shakedown Testing
- New SIS in production end of the week of October 17
- Scheduling for Fall 2012 may begin, in new SIS ONLY
SIS Go-Live 1

• Many new features and functionality to be explored by scheduling officers and academic departments.
  – Lecture – Lab/Studio (Auto Enroll)
  – Wait Listing
  – General Education Attribute Search
  – Enhanced Schedule Search in Core System
  – Integrated Room Scheduling
  – Requisite Checking (future)
SemCon Demo

• Semester Conversion Course Outline System.

• http://sis.rit.edu/SemCon

• Search, View, Filter
• Editing
NYSED/SemCon Validation Project

• By first week of October - validate data currently residing on NYS documents (specifically tables 1 & 2) and in the SemCon database.

• College/Program meetings:
  – Do a final walk through of all documents
  – Make changes/updates that need to be made (real-time)
Summary

• October 14:
  – Quarter Courses merged with Semester Courses and General Education Approvals and imported to new SIS.
  – Degree Audit Coding Begins
  – VERY IMPORTANT TO HAVE ACCURATE SET OF COURSES AND REQUIREMENTS
Campus Solutions Demo

• Have you all viewed the training video?
