All CMS programs and certificates slated for semester conversion have been reviewed and approved.

29 courses have been reviewed and approved as of May 7, 2012.

Faculty are in the process of consolidating the remaining course portfolio.
General Education and Writing-Intensive courses

- Will submit as Gen Ed:
  - MTSC 310 History and Manufacture of Siege Weapons
  - TCOM 333 Technical Writing and Editing
  - TCOM 444 Science Writing

- Will submit as Writing Intensive:
  - TCOM 333 Technical Writing and Editing
  - TCOM 444 Science Writing

- More to come...
We have begun discussing models for rotating faculty appointments (as outlined in the Charter) and for faculty collaboration in delivering interdisciplinary courses.

We have started to define criteria and process for these faculty appointments.
