Threat Assessment – SIVRA 35

• What is SIVRA-35?
  – The Structured Interview for Violence Risk Assessment (SIVRA-35) is a thirty-five-item inventory designed by Brian Van Brunt, Ed.D
  – used to assist SBCT and Public Safety in conducting a more thorough and research-based violence risk assessment.
  – Considered a “best practice” by NaBITA, the National Behavioral Intervention Team Association
• **RIT participated in a one day training**
  – Attended by SBCT, Center for Student Conduct, Public Safety, and Risk Management
  – Reviewed case studies to practice implementing the 35 question test
  – Considered a “best practice” by NaBITA, the National Behavioral Intervention Team Association
