Me, Myself and the Golisano Institute for Sustainability

Senator Julius Chiavaroli
October 29, 2015
How often does the college meet?
- **A few times per year**

What are the respective roles of the dean and the faculty in setting the agenda for these meetings?
- **Usually the Director calls and runs the meetings**

Who facilitates/moderates/chairs your faculty meetings?
- **Usually the Director**

What kind of voting system is employed by your college to decide important curricular and/or policy issues before they come before the Senate?
- **Varies from email communication to meeting, consensus rather than voting tends to be the norm**

How often do your college representatives, on such committees as ICC, Grad Council, University Council, Academic Senate, etc., report to the faculty?
- **Not very often**

What nomination and voting procedures determine who will serve on other college/university governance bodies, such as the committees mentioned above?
- **Mutual adjustment**
