The constitution changes were read and accepted by the council.

The representatives are to tell the student that Clark Union is open for special parties on Friday nights if it is desirable by the students, the council will try to obtain a person to be on duty Friday nights so the Union could be open to all students.

Bob Martin and Eleanor Lea were appointed to meet with Miss Medden to see the samples for the new covers for two Clark Union davenportes. The cost will be \$95.00 apiece. The old backs can't possibly be used for the new covers, as originally was thought.
