

ROCHESTER INSTITUTE OF TECHNOLOGY

Student Council Minutes  
February 25, 1946

The regular meeting of student council was called to order at 4:10 by the president Bill Esch.

Those present were: Diana Lea, Mary Ryan, Ruth Ambler, Ginny Rouse, Bob Anselm, Ansel Brennen, Phyllis Besley, Eleanor Lea, Tina Mergas, Bob Martin, Lenard Morris, Marion Spinks, Phil Allen, Ann Keppler, Ray Zaidel, Jean Marie Belmont, and Phyllis Kipp.

The total expenditures of the Student Council Mixer was \$62.20 \$50.00 for band, \$12.20 for food, cups, and napkins. \$60.00 had been allotted; a motion was made and accepted that the \$2.20 be allotted.

Herb Watt reported that \$93.50 had been donated to the Red Cross. He asked for a special Red Cross assembly, or time to make Red Cross announcement in the assembly of March 5th.

Ansel Brennen gave report on the yearbook. He thinks it will be possible to cut the \$1344. for printing to \$1,000. If the secretary's pictures and senior officers pictures are eliminated, it will save \$12.75 and \$23.50. Engraving for Mr. Brahm's pictures insert pages will be \$144.00. Student Council Special appropriation was approximately \$1200.00, for any unforeseen expenditures about school - \$437.65 has been spent allowing a \$433.25 balance.

A motion was made and accepted that as not enough money (\$800.) was left in the S. C. fund, the yearbook will have to be printed within the \$2600.00 budget.

The following suggestion will be given to the editor - cut publishing and engraving costs, slashing freshmen pictures and put in only names, and also that of asking each class for a \$100 donation. A \$100 change for the yearbook is still opposed.

Ansel Brennen, with a committee of Bob Martin, Lenard Morris, and Bill Esch will work with Mab to cut the cost.

Ray Zaidel asked that a window shade be put up in the ping pong room, as the light was poor for playing. A motion was made to this effect and accepted.

Bob Anselm brought up the problem of the "By Whom" poems in the Spirit, a series of un-signed poems, written about the students. A motion was made and accepted that Diana Lea should tell the staff that the council's decision was that all remarks should be limited to friendly, courteous ones.

The meeting adjourned at 5:25.

Respectfully submitted,

Phyllis Kipp, Sec.
