

ROCHESTER INSTITUTE OF TECHNOLOGY

Student Council Minutes  
September 30, 1946

The student council was called to order at 4:25 by Bob Martin, president.

Those present were: Lois Geser, Doris Verbeck, Nathan Middleton, Hawley Lawrence, Bob Goldstein, Don Deyle, Lenord Morris, Cliff Jones, Ruth Usher, Jim Reid, Robert McKinney, Lorraine Rappenger, and Jane Street.

The elections have all been taken except the Mechanical and Art.

Council members are to give out the Recreation Questionnaires to all students. Individuals may add to the activities such as rifle clubs etc. All names and addresses, at least must be filled out as they are needed for the Student Directory. The Recreation Questionnaire Committee (Lenord Morris and Jane Street) are to hand out and take care of the questionnaires.

The Budget Committee is to have a meeting and get the budget started. The Clark Union House Committee is also to meet to see if anything should be done in Clark Union.

Miss Medden has interviewed three people but has not found anyone for the position open at Clark Union. Boys are on duty this week but it is open only as a lounge.

The student council purchased two desks and typewriters, one for the Sprit and one for the Techmila but they cannot be left in the Union as they are needed for the Sprit and the yearbook thus there is no typewriter for student use in Clark Union.

Handbooks are all taken care of, with the exception of those saved out for the incoming freshmen.

The meeting was adjourned at 4:40.

Respectfully submitted,  
Ruth Becher, sec.
