

ROCHESTER INSTITUTE OF TECHNOLOGY

Student Council Minutes
October 7, 1946

Student Council was called to order at 4:15 by Bob Martin, pres.

Those present were: Ed Jachacz, Roger Buckler, Cliff Jones, Dorothy Francis, Duke Brooks, Bud Gore, Hawley Lawrence, Diana Lea, Don Deyle, Guenther Pfeffer, Nathan Middleton, Robert McKinney, Bob Goldstein, and Lenord Morris.

Miss Medden reported that we now have a counselor for Clark Union. She is young and a graduate of Idaho University and is interested in student union work. Miss Thomas is living on the second floor of the Spring street dorm and will be on duty off and on between 10:00 A.M. and 10:00 P.M. It is possible that the Union will be opened Saturday afternoon from 1:00 until 5:00 preferably. Council members volunteered to spend any free time they could this week from 10:00 to 5:00 at Clark Union as Mrs. Duke has left.

A report was made on the budget by Don Deyle. It was decided upon as follows:

Student Council-----	\$1400.00
Clark Union-----	2850.00
Student handbook----	400.00
Techmila-----	6500.00
Sprit-----	900.00
Baseball-----	100.00
Tennis-----	500.00
Carnege music-----	25.00
Glee club-----	350.00
Basketball-----	2100.00
Mens bowling-----	900.00
Womens bowling-----	420.00
Wrestling-----	1200.00
total	18,045.00
1400 students x \$15.00 -	\$21000.
	<u>-18045.</u>
	2955. reserve

Womens bowling may be eliminated as too expensive but that would limit the womens activities. The question is to be looked into as to which is preferable bowling or swimming.

Basketball is also a problem as we have to rent a court thus nothing definite has been decided. Wrestling is also tentative.

Interest has been shown in a riffle club and some students would like to get one started and sponsored by Student Council but only a limited number of students would be involved. The cost would be for targets and amunition only but someone must be liable for the club.

Student Council Minutes (con't)
October 7, 1946

The money appropriated to the Techmila is high because last year they had to ask for more money.

The question was brought up of appropriating money for additional Carnegie records and their care. It was approved to set aside \$25.00 for this purpose.

A swimming team is in demand so it is being looked into.

The budget was tentatively approved.

There was no report on the House committee as there has not been a meeting as yet that all members of the committee could attend.

Students are coming into Clark Union before 10:00 A.M. so it was advised that all students be reminded that the Union is not open until after 10:00 A.M. Students are also eating lunches in C.U. The rules are to be revised and posted so students understand these things.

The church has been obtained for the student mixer on the 25th. There is, however, still the problem of food and publicity. All printing such as publicity for student affairs is to be taken to Mr. Hunt and not done by individual students.

The Recreational questionnaires were turned in at the meeting.

Bob Martin has seen Mr. Hunt about this year's directories and they may be out by Christmas. Lenord Morris was appointed chairman of student directories.

The new business brought up was the problem of smoking in and around the school. There is really no place to allow smoking except Clark Union because of the city fire control. The question of what should be done was left until a solution can be suggested or found.

The meeting was adjourned at 5:30.

Respectfully submitted,
Ruth Becher, sec.
