Student Council Minutes
October 14, 1946

Council was called to order at 4:20 by Bob Martin, pres.

Those present were: Dorothy Francis, Art Ward, Betty MacCargo, Bob Goldstein, Guenther Pfeffer, Cliff Jones, Ann Talsma, Diana Lea, Hawley Lawrence, Don Deyle, Bud Gore, Shirley Bowerman, Jerry Heinz, Jim Larson, and Ed Jackacz

Bill Hunnabec has resigned from council and Bob Goldstein was unanimously nominated the new Vice President.

The Clark Union House committee is to meet this week with the new Director of C.U.

The student mixer was discussed. Shirley Bowerman is chairman of the food committee. Bob Goldstein is taking care of the rest of the arrangements. All council members are to be on the clean up comm. The welcoming committee is Betty MacCargo, Diana Lea, Bob Martin, and Ruth Becher. Guests are permissible. It was suggested that the hostesses hand out name tags to everyone and that certain dances and games be arranged to help the students get acquainted. The time was decided upon from 8:00 to 12:00.

The smoking condition was taken to Dr. Ellingston and as soon as it can be arranged a room in Eastman and one in the Clark building will be set aside as smoking rooms for students.

Chi Delta Phi asked councils permission to hold a raffle and it was approved.

Charles Perfetti made a report to council on the raffle club. Thirty five members have signed up for it and permission has been obtained for the use of a range. The cost would be \$10.00 but the draw back is the liability insurance. The approval was held until a petition is submitted.

Now business brought up was the request of students for a bowling league but it was dismissed until an advisor for the league can be found.

The question was brought up of the possibility of individual students renting the kitchen in Clark Union for a Friday or Saturday night or if a private group could hold a party in C.U. It was decided that a minimum limit be set for the number in a party and they must have a faculty chaperon. The problem of the janitors fee was brought up. The question was dropped until next meeting.

The smoking situation was brought up but nothing can be done until the alterations are completed.

The meeting was adjourned at 5:20.

Respectfully submitted,
Ruth Becher, sec.
