

ROCHESTER INSTITUTE OF TECHNOLOGY

Student Council Minutes  
December 2, 1946

Council was called to order at 4:10 by Bob Martin, pres.

Those present were: Jean Krebs, Bud Gore, Jerry Hientz, Nancy Talsma, Richard Johnson, Lenord Morris, Cliff Jones, Irwin Dixon, Bob Goldstein, Art Ward, Phil Cole, Diana Lea, Hawley Lawrence, Willis Sanders, John Sopha.

A report on the House Committee was given by Diana Lea. The used typewriters were to be checked on as council decided this would probably be the best investment.

Irwin Dixon reported on the Athletic Committee. An estimated price of \$7.00 was given for the basketball tickets.

The questionnaires are to be given to the new students in B block for the Directory and then the school should be covered. Lenord Morris reported also that the Directory if printed in school would save expense. Council approved this procedure and the bill for printing is to be sent to council.

Bud Gore reported on the entertainment for the Xmas pageant. The script has been approved by Mr. Clemment.

Ed Pollack reported that the price of a Kodak movie set is \$350.00 and the offset room can be used temporarily. The equipment is to be used only by trained individuals. Council approved the suggestion that movie equipment be purchased and the money will be appropriated when it is decided what kind is to be bought.

Advertising for the ordering of school rings will be in the Sprit and council members are to inform their classes as soon as the date is known.

Under new business a motion was made that we purchase some ash trays for the smoking room. The motion was approved and Phil Cole volunteered to take care of the matter.

The meeting was adjourned at 4:45.

Respectfully submitted,  
Ruth Becher, sec.
