The minutes of the previous meeting were read,  
corrected, and approved. The correction was  
the omission of the following motion: That  
the Student Council furnish \$150, half of the  
cost for a backdrop in the Ritter Clark  
Gymnasium. The motion was defeated.

Since there was an error of allowing newly  
elected Freshmen representatives to vote at the  
previous meeting, a motion was made and passed  
that all issues voted on at that meeting be  
accepted.

Council approved the following chairmen presented  
by the Chair:

**STUDENT PERSONNEL  
COMMITTEE**

There is to be a meeting of the Advisory board of Interorganization Council to formulate a list of regulations for a good party, where alcoholic beverages might be dispensed and trouble eliminated. These rules will be submitted to the Student Personnel Committee for approval.

**STUDENT ACTIVITY  
CARDS**

The Chair was asked to look into the printing of the Student Activity Cards as they are necessary for students to use the skating rink.

**BANDS**

The Chair explained to Council that in order to obtain a "big name" band for Spring Weekend, Council must sign a contract stating that the organizations on campus will hire nothing but Union bands in the future. This is a result of one of the Campus organizations hiring a non-union band for their function. The motion was made and passed that this matter be referred to Interorganization Council for their recommendation.

**EASTMAN  
LOUNGE**

The Eastman Building Lounge is handled by three bodies; the Student Association and the Alumni Association own the tables and chairs while the Administration handles the food. It has been suggested that Council drop their interest in the Lounge by selling what they own to the Administration. The motion was made and carried that Council sell our interest in the Eastman Lounge with the exception of the vending machines and the juke box, to the Administration.

**SMOKING**

The Administration has requested that the students stay within the specified areas on Campus when smoking.
