CONSTITUTION
COMMITTEE

The Constitution Committee reported that a letter
has been sent to N.S.A. requesting information on
student government in other colleges. Also, that
questionnaires had been sent to other schools re-
garding their particular student governments. This
report was given in answer to a query about progress
of school wide election plans.

OLD BUSINESS

Eugene Okun volunteered for Chairman of the bulletin
board committee. A request has been sent to the
administration regarding the noise in the library.
A motion was made and carried that Student Council
give the Administration the furniture in the Eastman
Lounge, owned by Student Council and the material
which is to be used for drapes.

OLD BUSINESS
(Continued)

With regard to the recommendation for free coffee after the games, it was suggested by President Robert Ball that this matter be tabled until next year since the budget would not be able to provide for it this year.

In the near future there will be an opportunity for the members of Council to address questions to Mr. Rusitzky of the Eastman Snack Bar, in an open discussion on the functions of the lounge.

NEW BUSINESS

A motion was made and carried that Student Council sponsor a Christmas Coffee Hour on Thursday, December 20. After a factual outline on the functions of the Student Parking Lot was made by the Chairman of the Parking Lot Committee, on matters such as a night-time parking attendant, maintenance, illegally parked cars, etc., a motion was made that the Chairman of the Parking Lot Committee submit a resolution to the Policy Committee on ways and means of taxing night school students for using the Student Parking Lot. An amendment to first submit the resolution to Student Council then to Policy Committee was made and carried. The amended motion was then carried.
