Minutes of the previous meeting were read,
corrected and approved.

NEW CONSTITUTION

Don Rickert reported that the constitution of
the Society of Motion Picture and Television
Engineers had been presented to and found in
order by the Constitution Committee. The
motion was made seconded and carried that
Council ratify this constitution.

CIVIC AFFAIRS

The Chair reminded Council of the World University
Service program to be held Wednesday, February
20 in E125 at 12 noon.

SOCIAL COMMITTEE

Robert Kohler gave an approximate financial re-
port on the Masquers Guild Dance supported by
Student Council. \$1,125 was spent for the
orchestra and decorations; \$200 was taken in
at the door. The Masquers Guild took in \$100
from patron tickets which will go to the scholar-
ship fund.

REVISIONS

The Chair reported on a letter received from Don Rickert, chairman of the Constitution Committee, in which he brought to the attention of Council an unconstitutional procedure from the February 11th meeting of Student Council. Since it was unconstitutional for Council to have passed the amended revisions to Article XIII, Sections 4, 5, and 7 Student Association Constitution without having waited for a period of two weeks, the Chair ruled that these amended revisions be set aside for voting until the first meeting of the next quarter.

Pertaining to the tabled motion to change Article XIII, Section 6 which reads:

"All funds received by organizations which are granted allotments by Student Council shall be deposited with the Institute cashier for credit to the account of the organization. Funds received by any other source than Student Association are not to be under jurisdiction of the Student Association. No separate bank accounts or other funds may be maintained by such organizations."

The underlined portion would be included upon passing of the motion.

The Chair explained that, according to Dr. Partridge, a running account would be kept on funds of these organizations that had not been received from the Student Association.

The motion was carried.

THETA GAMMA

Pertaining to the tabled motion that Council call a special meeting of the Interorganizational Council at which there would be no voting by proxy and at which only the President of the other organizations on campus would be present to re-discuss censuring Theta Gamma fraternity for allowing students to take over the entertainment at the Snow Blast.

A lengthy discussion followed. The motion was defeated.
