The minutes of the previous meeting were read,
corrected and approved.

A correction was made pertaining the N.S.A.
The correction was that: an announcement was made
that student discount questionnaires pertaining
to the purchase of supplies from different stores
are to be distributed to the student body to be
filled out.

Another correction pertaining to school-wide
elections was made. The amendment made was
voted upon and carried and the main motion was
moved and carried.

N. S. A.

It was requested of Council members to distribute
the discount questionnaires among their respec-
tive departments with an understanding that this
information will probably affect next year's
student discount cards.

SOCIAL COMMITTEE

A report on the results of the Annual Euchre Tournament showed that the income of \$87.00 was distributed to first, second, and third prizes.

AWARDS COMMITTEE

Upon receipt of a letter from Mr. Sutherland which contained a request that additional recognition, in regard to awards, be given to the Reporter Staff, Council's opinion was requested as to whether the distribution of awards to the Reporter Staff should remain status quo or should be changed. A show of hands favored a change in distribution. However, due to the time limitations from now to the Awards Banquet a motion was made that Council continue with last year's Council recommendations pertaining to the distribution of awards. An amendment was made and carried that a committee also be set up to investigate a study new possibilities of awards distribution. The main motion was then voted upon and carried.

A question was brought before Council with regard to the invitation of recipients of certificate awards to the Awards Banquet. A point of information was made that this would be an added expense. A motion was then made to recommend to the Awards Committee to invite certificate award recipients to the Awards Banquet. An amendment was made and carried to delete the words "recommend to the Awards Committee". The main motion was then voted upon and carried.

COUNCIL BANQUET

A request for additional volunteered entertainment was again made.

OLD BUSINESS

The tabled motion concerning Council's support of a soft ball team for students in school during the summer quarter was discussed. Financial support of the team would amount to \$50.00 to affiliate the team with the Higbie League and an additional \$4.00 per member on team; a total expense of \$110.00. It was suggested that the motion be tabled until the matter was checked with the Athletic Board of Controls concerning the sanctioning of the team. However, due to the fact that the money supporting the team had to be allocated and collected by April 15, an amendment was made that Council favor the motion with provision that the Athletic Board of Controls

has no serious objections. The amendment was carried. Another amendment was made and carried that the money to cover the cost of the team during the summer quarter be taken from the surplus fund. The main motion was then moved and carried.
