tape. Dick Borghi will bring in his tape recorder

tations will be brought in at the next meeting.

The following budgets were brought up for approval:

Wrestling	3, 844.80	3,844.80
Carnegie Music	365.00	200. 00
Masquer's Guild	985.00	485.00
Tennis	501.00	501.00
Baseball	1,971.42	1,971.42

It was stated that Service Sorority budget should not be cut. It was moved to consider Service Sorority separately, which was seconded and carried. It was moved that the budgets, with the exception of Service Sorority, be accepted. This was seconded and passed.

It was moved and seconded that the Service Sorority be given \$100.00. This motion was carried.

The president of Modern Jazz was given the floor to answer questions and explain why the Society wanted \$1,000.00, instead of the recommended \$ 500.00. He stated that the Modern Jazz Society is a special interest group and that they do not intend to use any of these funds for themselves but as a service to the school. Any profits from a jazz concert will come back to the Student Council. It was moved and seconded to give the Modern Jazz Society \$ 500.00. It was stated that the yearly dues of \$3.00 are used for small concerts, correspondence and etc.

Debate followed as to whether any profits should be returned to the Council contingency fund or left to the Modern Jazz Society to carry on further entertainment activities.

The main motion was amended to read " that the Modern Jazz Society be allotted \$500.00 for concerts and the entire amount be put into an account for them on which they may draw at any time during the year. At the end of the school year, whatever amount is left over will be reverted back to Student Council.

The amendment was seconded and passed. The previous question was moved, seconded and passed. The main motion was passed.

There was nothing to report on the Publicity Committee.

OLD BUSINESS

A question was raised about the placque that the Community Chest was supposed to give to the department who donated the most money to the Chest Drive, last Spring. The whereabouts of the placque will be looked into.

NEW BUSINESS

It was asked that a report on the meeting the executive committee held with Dr. Ellingson be given. The following comments were made:
CHAPERONES: Dr. Ellingson said that any faculty member may act as a chaperone.
PARKING LOT: The Administration wants the parking lots (and the revenue therefrom) in order to purchase more property around the Institute. However, any amount charged above \$ 5.00 per car could be put in the Student Council treasury.
BEER: We cannot have beer served in the Student Union at 90 Troup Street.

It was moved and seconded that Student Council petition the Student Personnel Committee to withdraw the "BEER BAN" on open events. It was moved to table this motion until an investigation could be made of the situation. The motion was seconded and passed.

FULL TIME ADVISOR The request for a full time advisor was turned down flatly because "it isn't in the budget this year".

It was moved and seconded that we petition the Administration for a new Advisor. It was moved to table the motion until after the Inter-Organizational meeting tomorrow night. This was passed.

Because the previous motion was suggested by a committee head who is not an elected member of Council, it was asked that a vote be taken as to whether or not a non-voting member of Council be allowed to make a motion, as was ruled by the Chair. By a vote of 20-10, the Council ruled in favor of the Chair's ruling to allow the Committee Chairmen who are not elected members of Council to do everything but vote.

It was asked that Student Council's stand be made known on the question of new fraternities. A recommendation must be sent to Council by Inber-Fraternity Council concerning this fraternity.
