The Senate will meet Thursday, October 16, in room 100, Clark Union, at 12:30 p.m.

President Schuckman notified committee chairmen that all committee reports are due on the first of each month.

There will be two Budget Committee meetings on Tuesday, October 14. The first will be at 12:30 p.m., room 104, Clark Union; the second will be at 4:00 p.m. in the Student Council Office.

President Schuckman reported that permission for Inter-Organization Council to use the bulletin board near the Eastman Assembly has to be granted by Administration and not by Student Council. Since the Administration is unable to grant this privilege, and alternative is to erect a new bulletin board on the wall adjacent to the book store. Discussion followed. Dr. Ellingson will be consulted before further action is taken on the matter.

Elections for a B-block secretary and vice president will be held as soon as the blocks change.

An informal meeting for Council members will be held at 7:30 p.m., Thursday, October 16, in the Blue Lounge, at Gleason Hall.

A letter will be sent to the Administration requesting permission to install a juke box in the Eastman Lounge.

There was further discussion about extending the five-minute interval between classes to ten minutes. It was decided that, before further action be taken, Council representatives should consult and determine the opinions of the students they represent.

The meeting was adjourned at 5:40 p.m.

Respectfully submitted,
Viola Neri, Secretary
