

ROCHESTER INSTITUTE OF TECHNOLOGY
Student Council Minutes
November 10, 1952

The meeting was called to order at 5:05 p.m. by President David Schuckman. Roll call was taken. The minutes were read and approved.

President Schuckman announced that a letter recommending the extension of the break between classes from five to ten minutes has been sent to Dr. Ellingson.

Elections were held for a B-block vice president and for a B-block secretary for Student Council. Jack Siulinski, Photographic Technology Department, was elected vice president to replace Granville Bentley, who is on his work block. Joan Brooks, Commerce Department, was elected secretary to replace Viola Neri, who is also on her work block.

A Council Representative for B block is needed from the junior class of both the Foods Administration and the Mechanical Departments. President Schuckman appointed the following representatives to sponsor these elections:

Harris Rusitzky	Foods Administration
Dick Anderson	Mechanical

President Schuckman reported that he had talked with Mr. Rider and had received the following information:

1. The Commerce Department lockers cannot be moved.
2. A clock cannot be placed in the Clark Building Lounge. (Student Council then made a counter suggestion that the present clock in the hall be moved into the lounge by placing it just on the other side of the wall).
3. A snack bar cannot be placed in the basement of 102 Spring Street because of Fire Ordinance regulations.
4. An estimate for the bulletin board to be placed in the Eastman Building hall will be presented soon.

Mr. Belknap was asked to investigate other possibilities for placing a snack bar and to follow through on the suggestion concerning the clock.

A letter has been sent to Miss Symonds regarding the opening of the door off the lounge so that students may pass through.

Student activities cards were given to Council Representatives for distribution among the students.

At 5:30 p.m. Bill Clarke moved that the meeting be adjourned. The motion was seconded and carried.

Respectfully submitted,

Hope H. Miller
