

ROCHESTER INSTITUTE OF TECHNOLOGY  
Student Council Minutes  
January 19, 1953

The meeting was called to order at 5:05 p.m. by President David Schuckman. The roll was taken and the minutes of the previous meeting were read and approved.

Barbara Bartenstein has been named chairman of the blood drive to be conducted by the Red Cross on February 25. Barbara announced that a new method of campaigning was to be introduced; a competition between fraternities and sororities to see which can be the most successful in obtaining donors. A cup will be given to the winner. There will also be movies shown and literature distributed to the students.

A request was received from the March of Dimes Committee, sponsoring a formal dance on Thursday, January 22, to send a representative for R. I. T. to the dance. Because of the shortness of the notice it was decided that Student Council should name the girl to attend. Barbara Bartenstein and Shirley Park were both tentatively nominated.

The Rochester International Affairs Institute has asked that a representative be sent from R. I. T. to an informal cafeteria-style dinner to be held at the Y. M. C. A., Thursday, January 22. The purpose of the meeting would be to discuss plans for the week-long Institute, which is to be held in Rochester. The purpose of this Institute is to help the people of Rochester to be more aware of what is being done in international affairs.

Elections for a new representative from the freshman class in the Electrical Department have been postponed until the present block is back.

At 5:30 p.m. Bill Clark moved that the meeting be adjourned. The motion was seconded and carried.

Respectfully submitted,

Joan Brook  
Secretary
