

ROCHESTER INSTITUTE OF TECHNOLOGY
Student Council Minutes
February 23, 1953

The meeting was called to order at 5:05 p.m. by President Schuckman. Roll call was taken. The minutes were read and approved.

The party to publicize the Blood Drive will be held Tuesday, February 24, from 7:30 to 9:30 p.m. in Clark Union. Students, who have not as yet signed Blood Donation cards and wish to, may do so at the party.

Student representatives who consulted faculty members on the issue of reading Council's minutes in class, for the most part, have found the faculty agreeable. Council representatives are urged to take advantage of this opportunity to bring the activities of Student Council closer to their classmates.

Last week, during the course of some rough play in the R.I.T. men's barracks, one student took a fire hose from the wall and sprayed the floor with it. Regardless of the fact that there was no major damage done such a practice cannot be condoned. Council discussed the matter and decided that the individual should be punished. A motion that the student be fined a sum of \$5.00, payable before March 6, was introduced, seconded and carried.

To safeguard against any further misuse of the fire hoses or extinguishers, printed signs will be put up in the barracks warning the students that illegal usage of the extinguishers and hoses will result in immediate non-academic probation.

At next week's meeting representatives from the Athletic Board of Controls and Techmila will speak to Student Council members concerning their financial allotments from Council's budget. Members are asked to have prepared any questions they wish answered.

Don Roeske moved that the meeting be adjourned at 5:35 p.m. The motion was seconded and carried.

Respectfully submitted,

Viola Neri
Secretary
