The meeting was called to order at 5 P.M. by Chairman Sal Schifano.

Janet Ross will head the committee to promote school wide interest in voting as well as indoctrination in using the voting machines if obtained. Chuck Volpe will head the Election Supervisory Committee.

Sal requested that elections be held, Tuesday, April 14th and the assembly, Monday April 13th. The Reporter will then be able to meet their deadline for Friday. There will be four election locations providing the voting machines are obtained: E125, The Annex, Clark Bldg and the Bevier Bldg.

While discussing the statutes, it was decided that:

2. They are all fluid and for practical clarifications the Board will make additions or subtractions.
3. The Society for the Advancement of Management will be granted permission to use the Retailing and Commerce bulletin boards for advertising preceding the election.

The following nominations were made and will be submitted to Council, Monday, March 16th.

Jack Lloyd

Vice President: Jim Anderson  
Joe Burroughs

Respectfully submitted,

Sue Joyce
