The regular order of business was set aside to  
permit Mr. Al Davis and Coach Fuller to speak to  
Council members.

Mr. Davis thanked Council for their action of the previous meeting in allocating funds for an audio room in the library. He also mentioned that this year FIT would shift the site of convocation from the Eastman Theatre to the War Memorial. The administration is also in the process of investigating the possibility of having a Convocation Luncheon at the Memorial.

Mr. Davis also announced that at a noon meeting the Board of Trustees authorized a tuition increase of \$50.00 per quarter beginning September 1, 1959. According to Mr. Davis the increase in tuition will go primarily toward adjusting faculty salaries. Council was given printed information on the position of RIT in comparison to other institutions of higher learning and on the potential changes in individual departments.

#### DIVISION REPORTS

##### LEGISLATIVE AND FINANCIAL

Art Gardner announced that the Division had two additional requests for money that needed immediate Council action. These were requests from the athletic department for \$112.00 to send members of the fencing team to the national championships and \$463.00 to send two members of the wrestling squad to a national meet at the University of Iowa. Mr. Gardner pointed out that even though some allocated monies were being returned to Council several groups had submitted requests for additional monies. Since the income from student fees is \$1,000 short the Division recommends that Council allocate \$112.00 to the fencing team and \$310.00 to the wrestling team.

Mr. Fuller Explained that at the beginning of the year RIT was not a member of the NCAA and consequently no request for funds to attend national championships was made. He pointed out that for the first time RIT would be competing on a national level with accompanying recognition. He asked that Council allocate \$463.00 for this purpose. In answer to questions he indicated that team members were traveling by plane and that the expense could be cut by using trains. Jack Lloyd moved that Council accept the recommendations of the Legislative and Financial Division and allocate \$112.00 for the fencing team and \$310.38 for the wrestling team. The motion was voted upon and passed.

STUDENT AFFAIRS

Jack Lloyd announced that temporary parking stickers for emergency situations are available by contacting Bob Garrison of the Parking Committee. Refunds are also being made and will be in the mail shortly after Easter.

THE  
BUSINESS

Red Jackwood moved that Council should pay cost of mailing campaign literature to black students. This was voted upon and passed.

Art Gardner announced that Sue Joyce and Bob Jones are in charge of making arrangements for the Student Council Banquet. Any members with suggestions should contact them.

Tom Prantz asked that the executive committee check into the possibility of expanding present locker facilities since many constituents have found them inadequate.

Art Gardner announced that the administration had asked him to relate to Council members administrative disapproval of dorm raids, etc. He also announced that the CCC committee was in the process of investigating each thoughtful suggestion made by students during the recent campaign. An attempt will be made to publish the full results of this investigation before the end of the quarter.

The meeting was adjourned at 6:00.

Respectfully submitted,

Jennifer Brennan, Secretary
