The minutes of the previous meeting were read and corrected.

President Boston announced that the Inter-Organization Council meeting would be held Tuesday, November 3, Room 100, Clark Union.

Student Association cards are to be distributed the first of next week, starting Tuesday the 10th.

The Student Directory is hoped for at the end of November.

President Boston requested that signs stating, "No smoking in the halls", be posted.

Carl Warschkow, president of the Radio Club, spoke to the Council about this newly formed club. After some interesting information was given about this organization, Ralph Rosati made the motion that the Radio Club be approved by Council. The motion

was seconded by John Bailey and unanimously passed by Council.

The question of closing the Eastman Lounge at 3:00 p.m. each Friday so that it may be adequately cleaned before a dance was discussed. A motion to close the lounge each Friday at 3:00 p.m. was made by Ed Watson; the motion was seconded and passed by Council. The allowance of this extra time should enable organizations to get the full janitorial service for which they are now paying. However, this service does not include the removal of decorations after the event.

The idea of having Clark Union Lounge open on Saturday was discussed and decided as not practical.

As a point of courtesy and consideration, Mrs. Miller requested that a Council member, wishing to make a request or to discuss any matter with a faculty member, introduce himself, stating the organization or committee he represents as well as his purpose.

The motion for adjournment was made at 5:35 p.m.

Respectfully submitted,

Nan Chapman, Secretary
