The minutes of the previous meeting were read and approved.

Vice-President Watson called upon Earl Wolfe, who gave a report on the progress of Technila. Kent Hill gave the financial report, which included a goal of \$2,000 to be earned from advertising. For additional income the staff suggested that a portion of Technila be devoted to the Evening School. If enough evening students purchased the yearbook, their purchases would benefit the total income of Technila.

Jerry Shaia made the motion that the staff be given permission to poll the evening students' willingness to purchase the yearbook. Ed Krauss seconded the motion, and it was unanimously passed by Council.

Earl Wolfe proceeded to present the dummy copy of Technila. His statements emphasized the inclusion of more activity pictures and less reading material.

Robert Follmer gave the report on the lounge conditions. He found a marked improvement during the past week, but he urged Council to be aware of any future offenders.

A booklet, "Sports Sampler", which contains coupons for tickets to various activities was reviewed. There are \$35.00 worth of coupons for bowling, Eastman concerts, and many other kind of entertainment. The price is only \$2.00

Jerry Shaia made the motion that Council should promote a sale of these booklets. Ed Krauss seconded the motion, and it was passed by Council. A committee to promote the sale on Monday, Tuesday and Wednesday of next week was appointed. These include Chairman Rolf Brynildsen and committee members Jerry Shaia, Ed Watson and Rita Prado.

The motion for adjournment was made at 5:30⁵ p.m.

The minutes of the previous meeting were read and corrected.

President Forward Foster called upon Ed Hill, who gave some ideas about obtaining additional income for Feanilla. He said Feanilla would benefit by a course of revenue building advertising, and the students would benefit by a closer contact with their yearbook. He suggested group ads, a dance, a raffle or a raffish.

The staff was advised to discuss with the Organizational Council any activities which they might wish to give.

Ed Hill then proceeded to ask if Council would give him permission to reimburse the Feanilla staff for personal expenditures required during working hours. They later took action by making telephone calls and riding buses when collecting orders.

Mrs. Miller explained that the petty cash fund is for this purpose, and the staff members can collect their fees by presenting a properly itemized bill.

A request for a telephone for the Feanilla office was discussed. Because of the overburdened relationship, it was deemed impossible for Feanilla to have its own telephone. However, the staff is going to the Hill Office for further information.
