The minutes of the previous meeting were read and approved.

President Bernard Boston called upon the various standing committees to submit their written reports. The chairman of the Lounge Committee, Robert Follmer, read his report. Among the main points were these: The committee, after their clean-up campaign for the Eastman Lounge, are now investigating the matter of a new piano for the lounge. Improvements for the Clark Building Lounge, such as different chairs, and the television problem in Clark Union are also being investigated.

Secretary Rita Prado read a list of the Council members who have not attended 65 per cent of the meetings as of January 18. These people are automatically dropped from membership unless they have a valid excuse for too many absences. These members are as follows: Clea Cooper, William Lesch, Robert Nolan, Robert Smith, John Bult, Robert Vaughn, John Okoniewski, Amerigo Poria, John Pownall, Richard Clark and George Scatko. A list of all the members and the percentage of attendance of each will be published in the RIT Reporter.

The coffee machine question will be looked up in past Council records for review by the Council members.

Edwin Krauss suggested that a committee for the World University Service Drive be formed. WUS helps students from all over the world by giving them money and supplies such as textbooks. Robert Nolan, who is a member of the RIT Reporter staff, volunteered to write some articles publicizing the campaign.

Inter-Organization Council will meet in Room 100, Clark Union, at 7:30 on January 26.

Mr. Killip will be in the Student Council Office from 4:00 to 5:00 p.m. and from 7:00 to 8:00 p.m. January 26, to take orders for school rings.

The motion for adjournment was made at 5:30 p.m.

Respectfully submitted,

Rita Prado
Secretary
