these spaces left by students who drop out of  
school.

The purchasers of the 12 stickers are going to  
be checked again to make sure they are full-  
time students.

**LOUNGE COMMITTEE**

The Lounge Committee reported that the tables  
and chairs have been ordered directly from the  
General Supply Company. Delivery will be made  
in two or three weeks.

**CLARK LOUNGE**

A memorandum has been sent to both Mr. Rider  
and to Mr. Kolb, concerning the lack of hot water  
in the men's room. It is hoped that there will  
be hot water soon.

Blue Boy Dairy has been contacted, and future  
deliveries of milk will be made earlier in the day.

## PARKING PROBLEM COMMITTEE

There was a discussion concerning the change of price for student parking stickers in order to meet costs for improvements. The lowest bid that has been received to date for the topping of the parking lot is \$2,400.00 from the American Roadway. The redressing in the next three or four years will cost from \$400 to \$500. These figures show the reason for considering an increase in the price. Help may be received from the Administration, depending on the bid and the job done.

The cost of the stickers is now \$3.00 for a school year. This is about 30 cents a month or 1 cent a day. Many different solutions were discussed, and many suggestions were given. As plans are still tentative, Chairman Anderson asked representatives to give further consideration to the price of the sticker and the idea of having the lot topped in some method.
