Following Bud's explanation Council held a discussion of whether the plan should be carried out on a pro-rata basis or as the committee had planned. President Pro-tem Mort, with the council's approval said that he would suggest to the chairman and the committee the idea of using a pro-rata plan.

The Chair asked for Council's approval of the additional appropriation from the Student Association funds, which the President-Pro-tem had previously approved, for black topping the Student Parking Lot. Frank Kowalski made the motion that the appropriation approved by the President Pro-tem be accepted by the Council. All were in favor.

Robert Ball made the motion and it was seconded and approved that a janitor be employed at an hourly rate to clean up the Student Parking Lot when necessary.

President Pro-tem Mort told Council of Dr. Partridge's work as treasurer for the Student Association. Our appropriation to him is only \$45 per year which the chair felt should be raised. After hearing Mr. Belknap's report on Council's funds, Chen "Hiting" made the motion that Dr. Partridge's salary be raised to that of \$125.00 per year. The motion was seconded and passed.

The Chair talked to Earl Wolfe concerning "Technila". The delivery date will be within three weeks.
