DIVISION REPORTS

Larry Albertson moved that Student Council accept the budget as presented. Each organization was discussed separately. Jack Blackert gave the following explanations for the individual allocations:

1. Chess Club: The full request was not allocated because money was budgeted for using Hertz Rent-a-Car for transportation, and this is against Council policy. The increase over this years allocation is to cover six additional tournaments.
2. Forensic: The increase in allocation over this years is to cover additional tournaments.
3. Hockey Club: The increased allocation is to cover the cost of more practice time.
4. Amateur Radio Club: The decrease from this years allocation is explained by the fact that there will be no need for more capital expenditures as there was this year.
5. R.A.A.: The increased allocation is due to the expected increase in Institute enrollment.
6. Rifle Club: The increased allocation is to cover the cost of two additional rifles.

INTERNAL
AFFAIRS

INTERNAL
AFFAIRS (Con't)

7. Ski Club: The increased allocation is to cover increased number of students in the club and a second ski trip.
8. Bowling League: The allocation is to cover two tournaments.
9. Publication & Publicity Division: Last years allocation was duplicated because negotiations to have printing done outside of the Institute are unfinished, and therefore, the exact amount needed is not known at present.
10. Social Division and Spring Weekend: The increase in allocation is to cover Winter Weekend and Spring Weekend expansion.
11. WITR: A request for \$250.00 was received yesterday. The budget committee recommended that no action be taken on this request until further investigation can be made by the committee.
12. Technilla: The larger allocation is accounted for by an increase in the number of pages to 288. Jack Blackert asked that Student Council give Technilla a written recommendation that Technilla use the same student base as Council and obtain bids for the following years book by the first week in March.

It was then moved to amend the main motion to give the Hockey Club an increase of \$50.00. The amendment was voted upon and passed. The main motion as amended was voted upon and passed.
