BUSINESS

Mr. Zakia reported on the results of the Policy Committee meeting.

The Duffy Powers Building will be ready for occupancy by the School of Business by the beginning of the spring quarter. There will be no elevators to the third floor.

Planning for the new campus is now underway with a decision being made on the type of buildings to be constructed.

Next year fourth and fifth year girls will not be required to live on campus.

The Administration is investigating the reason why 392 students are on scholastic probation this quarter. It does not seem to be merely the result of affiliation with fraternal organizations. Greek organizations have 15.5% of the students on campus as members, which is near the national average.

After being amended to have the newsletters in the folders by Monday, Council passed the proposed amendment to Article IV Section 2 of the Student Association By-Laws concerning the duties of representatives. This amendment is as follows:

No effectively communicate to his department all business conducted by Student Council by means of a departmental newsletter, to be distributed no later than the second school day following the regular or special meeting of Student Council.
responsibility for the production of this newsletter shall rotate from one representative to another in the department. The actual breakdown of work shall be left to the representatives to decide.

Each issue not published or published late shall be counted as one unexcused absence for the representative responsible for the publication of the newsletter that week.

As a result of the last Inter-Org meeting we now have answers to the questions posed in the letter from the Executive Committee by the Administration. The question of limiting unscheduled parties to attendance and penalizing those repeatedly scheduling these parties was discussed. An attempt will be made.

Council passed a motion to form a committee to conduct a faculty evaluation poll similar to the one held three years ago.

Next week questionnaires should be distributed to all students concerning the spending of the §22 Student Association fee.

A representative from Religious Activities Association explained the activities of this organization. Every student of RIT is automatically a member. A Brotherhood Week dance is being sponsored on Saturday night.

The meeting was adjourned.

Respectfully submitted,

Brenda Romball, Secretary
