Student Council Minutes
October 17, 1949

The meeting was called to order at 5:03 P.M. by President Joe Loughlin. Roll was taken. The minutes of the previous meeting were read and approved.

It has just been brought to the attention of Mr. Brody, basketball faculty advisor, that the rental fee of the Jefferson High School Gymnasium has been increased by the Board of Education. Basketball will, therefore, require an additional sum of \$200.00 for practice sessions and games. Discussion followed. Tom Furke made a motion that we appropriate an additional \$200.00 to the basketball budget with the stipulation that it is agreeable to the Budget Committee, and that it is extraordinary unanticipated expense. The motion was seconded and carried.

Mr. Garfinkle asked permission to hold a Sprit organization mixer with funds from within their own budget. Jeff Capolla made a motion that such permission be granted. Seconded and carried.

President Loughlin requested the senior Council members from each department to choose one person to work on the Class Advisory Committee. The main function of this committee will be to organize our spring dance. Ralph Smithwick, Applied Art, is the temporary chairman of this committee.

Next week, October 24, nominations will be held for vice-president since our present vice-president, Alma Lee Loy is going on work block. The alternate vice-president must be either a full time student or one from a work block of equal length to the retailing block.

Clarence Mathews has volunteered to be chairman of the Civic Committee, whose function will be to make investigations and recommendations concerning any civic organization who requests contributions from the student association.

The Alumni Association has requested a member of the student association to attend their monthly meeting. Glen Powers, member of the Student Lounge Committee, has been appointed.

Claudia Symonds reported on the National Student Association Regional Convention that was held in Syracuse the week-end of October 14. The program discussed at the convention for the following year was:

1. The expansion of the purchase card system.
2. The cultural
3. The International Relations Forum
4. The improvement of intra-regional New York State N.S.A. relations.

The N.S.A. Committee asked permission to request that the next N.S.A. Convention be held at R.I.T. this coming spring. The suggestion has been approved by the administration. Discussion followed. Pat Minton made a motion that should such be decided, the facilities of R.I.T. will be available for this convention. Seconded and carried.

Respectfully submitted,
