Student Council Minutes November 14, 1949

The meeting was called to order at 5:00 P.M. by Prosident Joe loughlin. Roll call was taken. The minutes of the previous meeting tere read and approved.

President Loughlin urged Council members to make their decisions wisely and carefully. The general welfare of the student body should be considered above any personal or emotional feelings.

Dr. Murray Cayley asked permission to address Council pertaining to the sponsoring of the recent Jefferson Military College drive by the College Business Club. Dr. Cayley reported that C.B.C. did not go on record saying they would sponsor this drive, as was published in SPRIT. At a recent meeting of C.B.C. the club voted against official sponsoring of this drive, but any member who desired to solicit funds could do so of his own accord. Dr. Cayley suggested the possibility of the formation of an Inter-Faith Council in school so that matters of this concern could be handled properly. This Inter-Faith Council could also work for constructive social needs in this community. Three such places in this community in dire need of help are:

- 1. Hubbard Hall Program, a Negro Baptist Organization.
- 2. Society of Friends Group.
- 3. Hubbel Hall of the First Baptist Church, a mon-secretarian and inter-racial group.

Dr. Cayley also suggested periodic assemblies of religious dramas, demonstrating the needs in inter-faith and inter-racial problems. Also a Baccalaureate Service. Offerings from services could be used for benevolent purposes by an Inter-Faith Council.

At this time, it was brough to Council's attention that a nondenominational worship service is in the process of being formed. These ideas will be reserved to the Civics Committee and reported on as soon as possible.

Committee reports were given. Larry Weinberger, chairman of the Constitution Committee, announced that suggestions and amendments are being formulated by the committee and the Constitution will probably be ready for ratification after Christmas recess.

Al Cronig, chairman of the Student Lounge Committee, reported that the Alumni Association is offering proceeds from the vending machines in the Eastman Lounge for redecoration in either the Eastman Lounge or the Clark Building Lounge. The Lounge Committee feels that the Clark Building needs much redecorating. The school would be willing to put in a floor in the Clark Building Lounge as it did in the Eastman Lounge.
