Student Council Minutes

February 19, 1951

The meeting was called to order by President Richard Santucci at 5:08 P.M. The minutes of the previous meeting were read and approved. Roll call was taken.

Don Tarleton, of M.S.A. introduced Dick Meld of the U.S.S.F. To Council. Mr. Meld explained that U.S.S.F. is an agency set up to work with student groups abroad. Various series of university groups are: correspondence, art exhibitions, sending used books, information concerning schools, joint research projects, and exchange of professors. R.I.T. can decide on a school, and can work up a project. It would include fund raising. Mr. Meld requested that we pick out a definite country to concentrate on, and inform U.S.S.F. so that correspondence can be started by them. Don Tarleton will submit a list of needy universities in different countries next week.

Red Mueller, chairman of the Lounge Committee, reported that of the machines in the Clark Lounge, R.I.T. only owns the coke machine. The budget of the Clark Lounge, up to date, includes \$333.00.

Publications Committee chairman, Norman Lange reported that a new poster on class rings is out, and work is being done on the trip tips bulletin. Mr. Lange was happy to announce that the Student Directory may be finished in the early part of March.

Hopie Agnor, for M.S.A., reported that the resolution concerning Student participation at faculty meetings is being thoroughly investigated in each department. The M.S.A. committee is also considering holding a U.S.S.F. Drive which will be on the same order as last year.

Ken Cox submitted the Athletic Board of Control's report. It stated that at the meeting of Dec. 12, 1950, discussion on the possibilities of having the Institute pay the fencing coaches salary for the period of Dec. 1 through April in 5 equal installments of \$50 each, was unanimously agreed upon. Tom Burke recommended that Mr. Hagberg, Mr. Florescue and Howard Kanoff appear at the next Council meeting to straighten matters out concerning the Fencing team. X

Jack Stumpf, chairman of the Parking Lot Committee, reported that it was agreed by the committee to obtain a complete list of those who purchased parking stickers, along with addresses and 1951 license numbers. It was also agreed to have a specific warning and action system to take care of violators. It was decided against painting stripes to indicate parking areas and snow removal company objected to putting railroad ties for markers. X

Cont.

Bob Johnson reported on the Flood Donor Drive. The number of pledges to date is 195 pledges. Notices are to be posted in the department for the name of donors and the time of their appointment.
