Dr. Campbell--tuition increase for next year--\$50 per quarter.

Decision made because: rising enrollment and expenditure-  
student pays one-half of actual tuition cost. Better  
faculty therefore higher costs. Offering higher degrees  
requires improvement in instruction to do so. Growth since  
1950. Cost remains lower than that of comparable schools.  
Student-faculty ratio: 15/1. More rises are probable.

Ray- volunteer for Reporter coverage. Prefers someone not a  
senator/ Garfield-Jones be ordered for each Senator's use/  
Appoint head of Student Union Board. Need to get Student  
Union Board in operation and organized.
