## Inter-College Curriculum Committee

**TO:** Jeremy Haefner, Provost

**FROM:** Sylvia Perez-Hardy, ICC Chair

**DATE:** September 26, 2017

**SUBJECT:** Proposal for the NTID AS in Applied Science

**CC:** Gerard J. Buckley, NTID President and Dean of the National Institute for the Deaf  
Gary Behm, Interim Associate Vice President for Academic Affairs for NTID  
Matthew Lynn, Chair of the Department of Science and Mathematics  
Christopher Collison, Academic Senate

The Inter-College Curriculum Committee has reviewed the proposal for the new AS degree in Applied Science proposed by the Department of Science and Mathematics in the NTID. The ICC feels this degree program maps to the strategic plan of RIT and enhances the academic offerings of NTID for students looking to transfer into four year degree programs. The ICC unanimously approved this degree program and recommends that it be approved by the Academic Senate and the Provost.
