CAMPUS TOURS -- 10 a.m. and 2 p.m., Lobby, George Eastman Memorial bldg.

* * * * *

THE BOSWELL COFFEE HOUSE -- 7 to 10 p.m., Multi-purpose Room, College-Alumni Union, sponsored by Student Christian Movement and Newman Apostolate

* * * * *

NEWS BRIEFS

CIA RENEWS RIT GRANT -- A group of 12 RIT students will be selected soon to share in a \$15,000 renewal grant from the Central Intelligence Agency. The grant will support thesis research in photographic science and instrumentation.

The one-year program, administered by RIT, will be in unclassified areas only. Both undergraduate and graduate students are eligible for the grants.

"The CIA's primary purpose in giving RIT this grant is to encourage educational efforts in photographic science and engineering," said Prof. William S. Shoemaker, the director of the RIT School of Photographic Arts and Sciences. "There is nothing clandestine about it. The CIA feels that a more sophisticated, comprehensive research study can be undertaken if the scope of the program is not limited by particular students' meager resources."

A copy of each completed thesis is sent to the CIA, and CIA representatives may attend the thesis defence.

In the past the research subjects selected by the RIT students have varied greatly. Student investigations have included problems in photographic chemistry, image evaluation, electro-optical-mechanical designs, emulsions, processing techniques, psychological aspects of photographic images, information capacity and latent image properties.

The \$15,000 grant covers stipends, expenses and materials. The names of the students to receive money from the grant will be announced in early February.

COLLEGE SKIERS HEAD FOR DEAF OLYMPICS -- A contribution of \$100 from RIT's Alpha Phi Omega service fraternity was enough to tip the financial scales for three students who left this week to participate in the 1971 Deaf Winter Olympics Games in Adelboden, Switzerland.

Enrolled in the National Technical Institute for the Deaf at RIT, the student skiers had to raise \$1,200 each to finance their trip. The Alpha Phi Omega contribution was part of the proceeds of a spaghetti dinner sponsored by the service fraternity brothers.

Susan Mozzer, 19, of Manchester, Conn., is entered in the cross-country skiing event. She has been skiing only three years, but for the last two she has finished first in the Eastern Winter Ski Tournament for the Deaf.

Jarlath Crowe, 22, of Northampton, Mass., has been skiing for 15 years and is strong in the slalom event. He and Ronald Borne, also 22, and of Hanover, Mass., are entered in the slalom, giant slalom, and downhill events. The three are among 15 Americans expected to participate in the games.

In addition to the several fund raising projects of their own initiation, the three were helped by the Rochester Ski Club, which donated the proceeds of its annual Christmas raffle. Other funds came from an RIT student sponsored beer party, and proceeds from ski movies sponsored by the Monroe "Y" Ski Club.

INTERNATIONAL PUBLICATION CITES RIT FACULTY MEMBER -- An article focusing on jewelry designed by Albert Paley Jr., a member of the faculty of RIT's College of Fine and Applied Arts, was featured in a recent issue of an internationally-circulated journal, Goldschmiede Zeitung ("European Jeweler").

The article includes photographs of eight brooches, with which Paley has shown integration of the printing mechanism into the design of the brooch. All eight pieces are of combinations of gold, sterling silver, and bronze.

Paley, who complements his work in jewelry with work in iron, had two shows in Germany last year. The editors of Goldschmiede Zeitung saw his show in Munich and invited him to submit photographs of his work for the magazine article.

PHYSICAL PLANT DIRECTOR RECENTLY NAMED -- L. Thomas Hussey, formerly supervisor of construction for Vanderlinde Electric Corporation, has been named director of Physical Plant at RIT.

Hussey will direct all physical plant operations including the Institute's Metropolitan Center at 50 West Main St. He reports to James R. Buchholz, vice-president, Business and Finance.

He succeeds Harry E. Rider who retired last October after 32 years of service at RIT.

Prior to his employment at Vanderline Electric, Hussey served as a supervisor in the Commercial and Industrial Sales Department of Rochester Gas and Electric Corporation. He was employed by RG & E for 17 years.

Hussey received a B.S. degree in Electrical Engineering from RIT in 1956, and is a 1951 graduate of Aquinas Institute.

The Batavia, N.Y. native is a member of the School Board of Holy Trinity School in Webster, and has served on the Transportation Committee of the Webster School Board.

* * * * *

CONTINUING EDUCATION REGISTRATION, SET FOR JAN. 25-26 -- RIT's College of Continuing Education has scheduled registration for the second semester on Monday and Tuesday, Jan. 25-26, from 1-8 p.m.

Registration will be held in the College of Continuing Education offices on the RIT campus.

The college offers degree programs with 19 options leading to the Associate in Applied Science degree, one leading to the Associate in Arts degree, and 14 leading to the Bachelor of Science degree. Diploma programs in 23 fields are also offered.

On the graduate level is a program in Applied Statistics leading to the Master of Science degree.

Programs offered for the first time this year include Health Institutions Management, Money and Finance, and Electro-mechanical Technology.

* * * * *

NTID ADVISORY GROUP TO MEET JAN. 26 and 27 -- Future construction plans for NTID will be one topic highlight of National Advisory Group meetings Tuesday, Jan. 26 and Wednesday, Jan. 27 at RIT.

NAG, comprised of leaders from government, industry, and education, will review progress of NTID and provide advice and counsel.

NTID, under Director Robert Frisina, will discuss admissions, placement of deaf students in industry, and integration of deaf students into the hearing college community of RIT.

NAG also will be briefed on the long-range planning of RIT and its implications for the federally funded post-secondary technical institute.

* * * * *

NTID DRAMA CLUB TO PERFORM JAN. 26 -- A "Command Performance" of the NTID Drama Club will be staged Tuesday, Jan. 26 at 7:30 p.m. in RIT's Ingle Memorial Auditorium of the College-Alumni Union.

The performance, although open to the public, is planned especially for the National Advisory Group, a committee from government, education and industry that reviews the NTID program and provides advice and counsel.

"The program will be comprised of selected hits from past performances," said Robert F. Panara, chairman of the NTID English department and Drama Club advisor. All skits, songs and poems will be done in sign language, mime and pantomime.

Key NTID performers include Jody Blank, Flushing, N.Y.; Charles Jones, St. Louis, Mo.; and Tom Orscher, New York, N.Y. Readers from the NTID faculty will be Valarie Consual, Mike Deninger, and Arden Coulston. Miss Blank studied last quarter at the National Theater Institute in Waterford, Conn.

COMMUNICATION WITH THE DEAF WORKSHOP STARTS FEB. 3 -- Communication with the Deaf Basic Workshops for RIT employes will start Wednesday, Feb. 3, 1 p.m. in room A-201 of the College of General Studies. The workshops will be held every Wednesday for 50 minute periods and are sponsored by the Extended Services Division of the College of Continuing Education in cooperation with NTID.

"These workshops are intended for any Institute employe who serves the deaf, or whose job could be done better with easier communication with deaf," Roger Powell, an assistant director of Extended Services, stated.

Powell, who is coordinating the program, stressed that in addition to tuition waivers, the Institute provides release time during working hours for employes to attend classes in cases where such education will improve the quality of the employe's work. For information concerning how to register, contact the Extended Services office at 464-2216.

PAYNE NAMED COLLEGE UNION BOARD CULTURAL DIRECTOR -- An NTID first year photography student has been selected as the new College Union Board Cultural Director.

George Payne of Louisville, Ky. will be responsible for organizing art and photo shows, lectures, concerts, and drama performances in RIT's College-Alumni Union.

"Communication is one goal of every deaf person. I'm happy that the College Union Board has given me the opportunity to communicate ideas which will direct cultural events to the RIT community," Payne said.

Payne, a graduate of the Kentucky School for the Deaf, where he played on the football, wrestling, and baseball teams, is active at RIT in the NTID Drama Club. He also works part-time as a photographer in NTID's public information program.

* * * * *

NTID STUDENT NAMED CROSS COUNTRY CAPTAIN -- Robert G. Backofen, Rockville, Conn., is unable to hear the starting gun and seldom finishes first, but nevertheless ranks as RIT's top cross country runner.

Backofen, a sophomore NTID student, is the first deaf runner to be named captain of an RIT athletic team.

"It may be a first, but we don't feel it is strange," said Coach Pete Todd. "Deaf runners have become important members of RIT's track and cross country teams. Bob has displayed the leadership ability that all of our runners respect. That is why they voted for him."

Backofen, 21, on the other hand, isn't captain of just any ordinary cross country team. Todd's Tigers were 13-3 last year, 31-7 over two years and 73-30 since Coach Todd took over the program six years ago.

"Coach Todd and the team have made me feel at home from the very beginning," the architectural drafting major pointed out. "They tried to communicate by learning sign language and finger spelling and Coach Todd worked harder than anyone."

* * * * *

BROCKPORT'S THE TARGET FOR LINCOLN ROCHESTER TOURNEY -- RIT's red-hot basketball team, is hard at work preparing for the Fifth Annual Lincoln Rochester Tournament, which will be held Thursday and Saturday (Jan. 28 and 30) at the Rochester-Monroe County War Memorial.

The Tigers won the title last year, in a hard-fought win over Brockport State's Golden Eagles. The revenge motive will not belong solely to the Eagles, however, since they crushed the Tigers, 90-66, in this year's regular-season opener.

To reach the finals, RIT must defeat Roberts Wesleyan, and Brockport must get past St. John Fisher. The RIT-Roberts game will be played at 6 p.m. on Thursday, followed by the Brockport-Fisher contest.

Tickets at the reduced price of 75 cents are now on sale at the Information Desk in the College-Alumni Union. If purchased at the War Memorial, the tickets cost one dollar.

RIT LONG RANGE PLANNING COMMITTEE

LRPC STATEMENT SUBMITTED TO POLICY COMMITTEE -- A preliminary "Statement of Purposes and Goals" has been submitted by the Long Range Planning Committee (LRPC) to the Policy Committee and the RIT community for discussion and comment. A "Planning Questionnaire" accompanied the statement, and will be used as a planning guide in each college and division. Each dean and vice president has been asked to form a planning unit composed of faculty, students, and administrators. As a first step, a meeting of the deans and vice presidents has been set for Monday, Jan. 25 at 1:30 p.m. in the Board Room to discuss and clarify the statement and questionnaire.

President Miller in his covering memorandum said that the "members of the Steering Committee...stand ready to assist the effort in the respective colleges and divisions... the Steering Committee will plan to make additional suggestions...just as its members hope that other planning groups will suggest how the Steering Committee and the Policy Committee may do better at discharging their own responsibilities in the planning effort."

All those interested in the planning and work of LRPC should feel free to communicate with one or more of the members of the committee. Their names and telephone numbers are listed as follows:

- Dr. Paul A. Miller, Chairman. 2394
- Mr. Arthur L. Stern 2395
- Dr. Todd H. Bullard 2392
- Dr. Leo F. Smith. 2398
- Dr. Edward S. Todd. 2297
- Dr. Lothar K. Engelmann 2732
- Mr. Donald A. Hoppe 2820
- Dr. Eugene Fram 2360
- Prof. George W. Reed. 2176
- Prof. Dane Gordon 2450
- Mr. Eric Gutwillig Student Association Folder

All news on matters relating to LRPC will be reported in future editions of "News and Events."

EXHIBITS

GENERAL STUDIES FACULTY TO EXHIBIT IN BEVIER GALLERY -- Award winning Rochester artist Douglas Coffey will join Hans Zandvoort, one of his fellow RIT College of General Studies faculty members, for a two-week exhibit in the Bevier Gallery of the James E. Booth Memorial building.

The show, which starts Monday, Jan. 25, will also include the works of a third artist, Mo Lebowitz of New York City.

Coffey, who has exhibited his works in several Rochester galleries, and Zandvoort, whose credits include numerous one-man shows in European galleries, both teach Fine Arts and Art History in RIT's College of General Studies.

Coffey was the 1970 winner of the Sullivan Award for Painting in the Finger Lakes Exhibition at the Rochester Memorial Art Gallery. In 1969 he received the Watercolor Award at the Cleveland Museum of Art's annual May show.

Zandvoort, a native the The Hague, Netherlands, taught high school in that city until 1956, when he moved to Paris to paint professionally for ten years. His works have been exhibited in several European and African galleries, including the Museum of Modern Art in Paris. He joined the RIT faculty last year.

Lebowitz, an art director for a New York City advertising firm, is best known for his work in typography and graphic design.

* * * * *

PHOTO EXHIBIT SLATED FOR LIBRARY -- "Photographs of Chicago, 1953-1964," by Robert A. Knille will be on display in the Wallace Memorial Library Gallery, second floor, from Jan. 22 to Feb. 12. Knille, a graduate in photography from Chicago's Institute of Design, is at present a technical editor in Eastman Kodak's Customer Equipment Services Division, as well as a candidate for an MBA degree in RIT's College of Continuing Education. Knille's work has been on display in one-man shows at the Chicago and St. Louis Public Libraries, and at the George Eastman House, East Ave., Rochester. In commenting on his current show, Knille stated, "The photographs may be regarded as the personal response of a sympathetic observer to a large metropolitan area - mainly Chicago."

* * * * *

STUDENTS EXHIBIT PHOTOS IN UNION LOBBY -- A photo exhibit entitled "Three From One House," is currently on exhibit through Jan. 29 in the lobby of the College-Alumni Union. The exhibitors, all photo-illustration students, are Michaela Allan Murphy, John Fox, and Andy Partos.

* * * * *

FORMER GUBERNATORIAL CANDIDATE TO SPEAK AT RIT -- Dr. Paul Adams, a professor at Roberts Wesleyan College, and a 1970 candidate for New York State governor, will address a recently organized RIT student group called Young Americans for Freedom, on Wednesday, Feb. 3 at 2 p.m. in room 1320 of the Frank E. Gannett Memorial building. Adams will talk on "The Major Issues of Today and How they Relate to College Students." The lecture is open to all interested RIT students, faculty and staff.

(Continued)

FORMER GUBERNATORIAL CANDIDATE (Continued)

The new RIT chapter of Young Americans for Freedom has received a charter from its' national affiliate. The group has applied for membership in the RIT Student Association, which is now pending.

President of the RIT chapter is Jeffrey Burslem, a first year photo science major from Westfield, New Jersey.

Dan Polansky, public relations secretary for the new organization, stated "we feel there is a real need at RIT for a more balanced political atmosphere." The second year math major from Greece, N.Y., said that membership in Young Americans for Freedom is open to all interested RIT students. He noted that the group plans a series of lecture discussions at RIT which "will feature speakers who represent a more conservative political philosophy than has previously been presented on our campus."

* * * * *

UNIQUE -- The single word, "unique", is the theme of the Student Giving 1971 phase of the Ellingson Scholarship Endowment Fund. Some 30 students, under chairman Jeff Brooks, a senior photography student, are seeking pledges totaling at least \$30,000 from this year's graduates.

* * * * *

All news and calendar items must be submitted to the information desk in the Administration Tower building (464-2400) no later than 1:30 on Monday, Jan. 25, in order to be included in the February 1 - February 7 edition.
