SUBJECT: Proposal for the GIS Bachelor of Architecture Degree Program

CC: Dr. Nabil Nasr, Associate Provost and Director, Golisano Institute for Sustainability
Dennis A. Andrejko, FAIA, Head, Department of Architecture
Jules J. Chiavaroli, AIA, Professor of Architecture

The Inter-College Curriculum Committee has reviewed the proposal for the new Bachelor of Architecture degree proposed by the Department of Architecture in the Golisano Institute of Sustainability. After a thorough review the ICC has concluded that this degree program meets a strategic curricular need to provide undergraduate education in architecture and enhances the academic portfolio of RIT. The ICC unanimously approved this degree program and recommends that it be approved by the Academic Senate and the Provost.
