# NYSED Definition of Certificate

- “Certificate means a credential issued by an institution in recognition of the completion of a curriculum other than one leading to a degree.”
- Typically, a certificate is comprised of courses that lead to a defined skill set recognized in a specific field or domain.

# Undergraduate Certificate Policy D01.4.

- There are 9 active Undergraduate Certificates
- Inconsistent administration
  - There are only guidelines that are not officially documented
  - The guidelines are lengthening the time to graduation
  - Undergraduate certificates treated differently than graduate advanced certificates
