Sign language courses

If you've ever wanted to know more about Sign Language, now's a good time. You can choose from 30 courses offered in the greater Rochester area, according to a new survey conducted by the National Technical Institute for the Deaf (NTID) at Rochester Institute of Technology (RIT). To receive a free list of Sign Language course offerings, write to the Public Information Office, NTID at RIT, Post Office Box 9887, Rochester, New York 14623.
