

PTC and APR Co-op Scholarships Available

Bruce A. Austin baagll@rit.edu

27 April 2005

Professional & Technical Communication majors and Advertising & Public Relations majors seeking an unpaid internship are eligible to apply for funding support through the Clark Scholarship.

The Clark Scholarship was established in 2002 to support professionally valuable internships and Co-ops that a CLA degree student may not otherwise be able to afford. Normally two Clark Scholarships are awarded in the Spring and two in the Fall.

Please send see Ms. Chris VanHemel, DOC Staff Assistant, for further information and application forms. Completed applications for the Clark Scholarship to support Summer and Fall coops or internships are due by Thursday, May 12, 2005. Applicants normally hear the outcome of the Clark committee's deliberations within 10 days.
