The College of Liberal Arts is offering grants of up to \$500 for independent research conducted by PTC and CMT students. Funding is available to researchers to cover such research expenses for project materials, software, postage, photocopying and travel.

Application procedures for these grants are relatively simple. Students interested in applying will need a faculty sponsor. The deadline for applications is 15 January for projects to be undertaken in the Winter Quarter, 30 January for projects to be undertaken in the Spring Quarter and 15 April for projects to be undertaken in the Summer or Fall Quarters.

A copy of the guidelines to be followed for an application is posted above the mail folders.
