Congratulations to two Department of Communication faculty members who recently had research articles published.

Grant Cos, Assistant Professor, had a chapter entitled "A New Canon for a New Rhetoric Education" published in The Realms of Rhetoric: The Prospects for Rhetoric Education (edited by J. Petraglia and D. Bahri, State University of New York Press, 2003). Grant's co-author is John T. Scenters-Zapico.

Rudy Pugliese, Associate Professor, has had his article entitled "Bridging the Quality Divide in State Legislature Websites: New Jersey Leads by Example" in the New Jersey Journal of Communication (vol. 11, no. 2, Fall 2003). Rudy's co-authors are Paul Ferber and Franz Foltz.

Both Grant and Rudy will be happy to share information about their publications with interested individuals.
