29 August 2005

Congratulations to Dr. Sue Barnes, Associate Professor in the Department of Communication, on the publication of the second edition of her book, <u>Web Research: Selecting, Evaluating and Citing</u>. The book seeks to provide a better understanding of the Internet as a scholarly research vehicle. Dr. Barnes has studies the Internet for more than a decade and is an international expert in Web communication. In Fall Quarter she is teaching a course in Computer-Mediated Communication.
