Two alumni of the Department of Communication recently reported on their recent successes. Brandon Borgna (PTC, '06) has been accepted to the MBA degree program in RIT's College of Business and begins classes in the Fall. Also beginning courses in September is Wenli Gao (CMT, '06) who starts the two-year program at St. Joseph's College of Nursing. Wenli was awarded the College's Sister Wilhemina Scholarship for 2006-08; she was the only scholarship winner among 90 other applicants.
