

Media Production Positions Available

Bruce A. Austin baagll@rit.edu

10 January 2006

Two video production positions are available from CGI Communications. One position is for a scriptwriter (\$8/hour) and the other as voiceover talent (\$10/hour). Each position supports CGI's Interactive Community Movies for Google and municipalities across the U.S. Addition information about each position is available on the DOC bulletin board across from the student mail folders.
