It's not too early to think about your Summer 2006 Co-op. The Partnership for Public Service, a Washington, D.C. not-for-profit organization, has paid internship opportunities available in communication. Headed up by a PTC graduate, the Partnership invites applications for these positions by 1 April. For more information, visit their web site ( [www.ourpublicservice.org](http://www.ourpublicservice.org) ) or see Bruce Austin.
