Department of Communication majors are invited to compete for a summer 2006 "Dream Co-op" with cable sports network ESPN. The Co-op position is as an Affiliate Advertising Sales representative and requires strong communication and customer service skills and knowledge of MS Office. Co-op responsibilities include special projects such as ESPN Playbooks and Sports 101, creating sponsor presentations for regional advertising efforts and assisting current ESPN clients.

The ESPN Summer 2006 Co-op requires an audition during RIT's October 2005 Homecoming Weekend.
