

Summer Quarter Co-op

Bruce A. Austin baagll@rit.edu

1 March 2002

A Summer Quarter Co-op in marketing communication has just become available. The employer, a Rochester-area organization, has previously employed a number of PTC students and is eager to hire a PTC student for the summer 2002 quarter. Due to the population they serve, the employer indicates they would prefer a deaf/hard-of-hearing student, but they do not exclude hearing students from consideration.

For additional information, please contact Bruce Austin baagll@rit.edu as soon as possible.
